

WINTER SENSATIONS 2017!

This winter let your child try something new or experience more of something they love with a six week enrichment program. In a Winter Sensations workshop children can have something fun and exciting to do – explore, experience, excel!

CHECKMATE! Beginners/Adv. Beginners (Gr. 4-5) Thursdays, Dater Art Rm (4:00–5:00pm)

★ Classes are held on Thursdays: Jan 5, 12, 19, 26, Feb. 2, 16 (skip date Feb. 9) (6 sessions)

Learn to play the most popular game ever invented: the game of strategy and problem solving! Now is your chance to bring your game to the next level. Whether you are a beginner or advanced-beginner, you can learn the strategies that will make you a better chess player. Best of all, CHESS IS FUN!

Taught by the International Chess Academy

Tuition: \$120/RED Students \$110

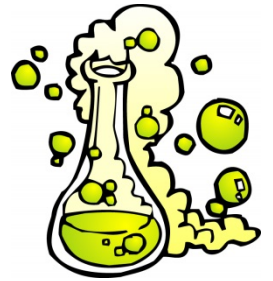

SCIENCE WIZARDS (Gr. 1-2-3) Tuesdays, HUBBARD Rm 10 (4:00–5:30pm)

★ Classes are held on Tuesdays: Jan 3, 10, 17, 24, 31, Feb. 7 (6 sessions)

Is it science or magic? Sign up for Science Wizards and find out! You'll learn how to create bouncing bubbles, investigate the science of optical illusions, conduct air pressure experiments, and discover the secrets of sound. The mystery of each experiment is solved through the power of science! Each day we'll work together to hypothesize, guess, test and experiment! It's a magical mystery tour you won't want to miss!

Taught by Lori Stewart

Tuition: \$89/RED Students \$79

ART MISSION TO THE MOON (Gr. 1-2-3) Tuesdays, TISDALE Art Rm (4:00–5:30pm)

★ Classes are held on Tuesdays: Jan 3, 10, 17, 24, 31, Feb. 7 (6 sessions)

In this stellar workshop you'll use the Earth's closest celestial neighbor as a springboard to create art! Using the moon and its phases as an element in your artwork, you'll learn about famous artists such as Henri Russo, Thomas Cole, Edvard Munch and Vincent Van Gogh. We'll talk about moon folklore, myths and legends to inspire you. We'll also learn about the six moon landings and the twelve astronauts who were so inspired by the moon that they actually visited. Join us on our voyage to the moon... and back!

Taught by John Turano

Tuition: \$89/RED Students \$79

★ *Parent or guardian must sign children in and out of each class unless registered in Extended Day (RED) program. Parents must make arrangements for students (including RED before and after care, who do not normally attend on class day) to be dropped off and picked up at class start and end times.*
