

## Happy Back to School!

The kids are Back to School! As usual, there are lots of groceries to buy.

Why not support your school while you are doing your weekly shopping!

This is a fundraiser; we buy the grocery gift cards from ShopRite and Stop & Shop at a discounted price, and sell them to you at face value.

The difference in price is your donation to support various PTO programs that enhance the Hubbard School community.

What a perfect way to give thanks for our children's education!

## How to Support???

Simply return the form below in your child's backpack along with a check made payable to Hubbard School PTO for the total amount of gift cards that you would like to purchase.

The gift cards will be sent home in your child's backpack as quickly as possible.

If you have any questions, please contact Marisol Farley at [marisol8215@msn.com](mailto:marisol8215@msn.com).
